

### **Industrial tour to Germany:**

The city-based Maharashtra Chamber of Commerce, Industries and Agriculture (MCCIA) will take a delegation of 30 representatives from small- and medium-scale industries in Pune to Hannover, Germany, known for holding a variety of exhibitions throughout the year. The delegation will attend the 'technology meets progress' trade fair from April 23 to 29. The highlights of the fair include sectors like energy, digital factory, coil techniques and research technology among others.

## **Seminar for citizens**

**Pune:** City-based organisations Swachha Bharat, Samartha Bharat, Samriddha Bharat (3S Bharat) and Samarth Bharat Vyaspeeth have organised a meet called 'Pune Mahanagar Sansad' on Wednesday.

City leaders from prominent political parties and social organisations will participate in the seminar, where experts will ask questions about various issues that are close to citizens. The programme is open for all the citizens and will be held at Padamji hall at MCCIA, Tilak Road from 6 pm. TNN
