Pune International Business Summit - 2027

MCCIA boasts a rich legacy of 92 years, representing approximately 3,500+ members across 17+ industry sectors, including small, medium and large enterprises throughout Maharashtra. We have been actively promoting Pune and other parts of Maharashtra as compelling investment destinations and crucial centres for goods and services exports. Additionally, we have been supporting exporters in expanding their global presence.

We collaborate with Indian missions abroad and foreign diplomatic and trade missions in India to facilitate the visit of international business delegations to Pune.

We also plan to organise individual business meetings with business delegates from abroad. In line with these objectives, we are organising 8th edition of **Pune International Business Summit - 2027** on 16th and 17th February 2027 at the JW Marriott, Senapati Bapat Road, Pune.
